Activity 1 - Sprint 2 preparation

Welcome to day 5

- This activity will be a **Dev Team** activity
- Time: **120 Minutes**

Instructions

Welcome to Sprint 2 presentation preparation. In this activity, we will start compiling all the work you have done this week. After lunch you will be asked to present this to your fellow interns.

Each slide will have the following titles:

- Slide 1: Main Page Design
- Slide 2: About Us Page Design
- Slide 3: Events Page Design
- *Note: Minimum of 3 slides - Maximum of 7 slides*

Your mentor will assist you in the compilation process for Sprint 2. If you have any questions and contributions please reach out to the mentor.

- Step 1: Go sit in your Dev Teams
- Step 2: Open up a Powerpoint or [Google Slides](https://www.google.com/slides/about/) (<https://www.google.com/slides/about/>)
- Step 3: Start with the creation of your slides.
- Step 4: Check the presentation guidelines below
- Step 5: Share the presentation with your whole Dev Team in the chat function at the bottom of the page in the chat function.

- Step 6: Upload the work to your Intern Profile board:
(Please click on the icon to go to the board)

(<https://padlet.com/auth/login>).

Presentation Guidelines

Please note that the presentation will be assessed through a rubric (see below). The rubric will focus more on the presentation skills rather than the technical skills. In total you could score **100** points. Group dynamics and personal presentation skills will be assessed. Please see further details below:
